 Bashundhara R/A, Dhaka

## Profile

My background is Computer Science & Engineering. My passion is centered in computer programming and networking since my university life. I dream to be an expert software engineer so that I can build professional and useful software that has business value with high security. I am also familiar with technical writing. I am loving to learn new tools. If I don't know something I will learn it. My goal is to grow as a person and as a professional, every day.
